Lugano, 8<sup>th</sup> June 2022

## Request to promote the 31<sup>st</sup> EADV Congress 7-10 September 2022 – Milan & online

Distinguished Presidents,  
Dear Colleagues,

After the inspiring and re-energizing reunion at the Spring Symposium in Ljubljana few weeks ago, we are excited to welcome the dermatology-venereology community to the **31<sup>st</sup> EADV Congress** in Milan & online.

The event will offer the highest quality of scientific research from the fields of Dermatology and Venereology, as well as many opportunities for personal and professional development and collaboration with colleagues.

Featuring over 600 speakers across 170+ sessions and 10 plenary lectures, the unmissable EADV Congress 2022 will allow our delegates to innovate their daily practice and advance patient care with the best research across Dermatology and Venereology. The curated programme, covering the A-Z of over 50 hot topics, follows various formats to best showcase the CME-accredited science.

Please visit the [Scientific Programme](#) to discover all sessions and speakers.

Moreover, for the first time, we are hosting a **hybrid congress**, with the possibility to watch the sessions live-streamed, and all content remains on-demand for a further 3 months after the event.
